Profile

Motivated IT student currently studying at Rafic Hariri University. I have a strong background in computer applications and a growing passion for networking and software development. I am eager to develop my skills further in both hardware and software, especially in real-world environments.

Skills

- Packet Tracer
- Router Configuration
- Cisco CLI
- SPSS
- Microsoft Excel
- Microsoft PowerPoint
- Microsoft Word
- HTML
- CSS
- JavaScript
- C Language
- Visual Studio
- Problem Solving

Education

Rafic Hariri University

Bachelor in Information Technology (Currently Studying)

Makassed High School

Lebanese Baccalaureate Certificate

Certifications

Cisco Networking Academy

NetAcad – IT Certificate

Interests

Passionate about networking and eager to work on real hardware systems, especially Cisco routers and commands beyond simulation tools like Packet Tracer. I also enjoy coding and continuously improving my skills in web development and programming.
